

OUR PURPOSE

The Colorado Information Analysis Center (CIAC) focuses on preventing acts of crime, taking an all-threats approach. We are a centralized resource with a mission to serve as the focal point within the state for receiving, analyzing and sharing threat-related information among public sector, private sector, local, tribal, federal partners and non-governmental organizations throughout Colorado and the United States.

Our Office Within the DHSEM

As an office within the Colorado Division of Homeland Security and Emergency Management (DHSEM), we strive to thoroughly uphold the vision, mission and core values set in place by the division.

DHSEM Vision

A prepared, safe and resilient Colorado!

DHSEM Mission

To lead and support Colorado's effort to prevent, protect, mitigate, respond to and recover from all-hazards events.

DHSEM Core Values

Service, Teamwork, Respect, Integrity, Vision, Excellence

CIAC PRIMARY OBJECTIVES

Preserve, protect and restore critical data in the event of an attack on the homeland, a natural disaster or other interruption.

Maintain direct liaison with the Denver FBI Office, the U.S. Attorney's Office and other local, state, and federal law enforcement agencies regarding ongoing investigations and potential suspicious activity.

Provide necessary training on intelligence and the role of Colorado's residents and public safety professionals (including peace officers, firefighters, emergency medical technicians and other first responders) in preventing mass attacks and criminal acts through Prevention Programming.

To Apply to Become a TLO

Apply for an Upcoming TLO Certification Class on the CIAC Website under CIAC Programs:

Threat Liaison Officer Program

The CIAC is an office within the Colorado Division of Homeland Security & Emergency Management (DHSEM)

WHO WE ARE

Threat Liaison Officer Program

The Colorado Information Analysis Center (CIAC) Threat Liaison Officer (TLO) program is designed to strengthen information sharing and enhance multi-jurisdiction and multidisciplinary partnerships throughout Colorado.

The program was developed to provide participants with effective means of information sharing related to local, regional, and global threats, suspicious activity and large-scale incidents.

TLO Program Mission

To integrate participants into a large system of resources through a process of combining public, non-profit, and private sector partners into an effective and sustainable two-way flow of information.

TLO Program Benefits

CIAC TLOs will benefit from:

Networking Opportunities: TLOs will be part of and have access to a statewide network of multi-jurisdictional and multidisciplinary partners. They will also be invited to events with other TLOs and stakeholders, where they will have an opportunity to network.

TLO Program Vision

An effective and sustainable multi-jurisdiction and multidisciplinary information sharing network.

Who Is a TLO?

A TLO is any law enforcement (sworn or non-sworn), emergency services, military, public health, private, non-profit or other public sector employee who has responsibility within their agency to report and disseminate suspicious activity and/or other threat-related information and has been properly certified through the CIAC TLO training program.

These individuals serve as the principle point of contact within their agency for the sharing of information related to crimes or potential acts of terrorism. They have knowledge, skills, and experience that are valuable to the CIAC and its partners.

Access to information: TLOs will have access to relevant threat-related information, intelligence, exclusive training, and resources. They will also receive quarterly updates on what the CIAC is working on and how to assist.

National Recognition: TLO Programs are nationally recognized. Individuals who carry the TLO title are identified across the country as trusted partners.

TLO RESPONSIBILITIES

Act as the primary point of contact between the CIAC and the local agency during unfolding events.

Review threat information and intelligence sent by the CIAC and distribute to relevant internal stakeholders as appropriate.

Respond to CIAC requests for information in a timely manner.

TLO Requirements

Be a U.S. Citizen

Be referred by an active TLO or CIAC staff member or partner

Have a supervisor or agency representative complete a nomination form

Successfully complete a one (1) day TLO Certification Class

Participate in at least two (2) TLO events annually

Successfully complete a TLO Recertification Class every three (3) years to remain in the program

For questions, please email the TLO Program Coordinator at
